

# Call for GOLD Process Jury Panel

---

The Global Network invites interested parties to consider participating in the 2018 19 GOLD Process.

Outlined below are the responsibilities of Jury Panel members and the requirements in terms of experience and network involvement.

## Overview of responsibilities

The Jury Panel is responsible for assessing the applications of candidates according to the [process](#) outlined on the VNSHS and Global Network website, and making recommendations for awarding GOLD Forum status.

Jury Teams comprising 2 to 3 members are allocated to each candidate and meet as a group to consider the application.

Jury Teams may request further information from the candidates.

## Jury Panel requirements

Jury Panel members are required to have considerable experience in:

- implementing the Global Network standards at an organisational and/or regional/national levels and;
- tobacco prevention and health promotion quality management within healthcare services

Persons likely to be suitable for this role therefore include:

- previous Jury Panel members
- auditors with certification process experience at a national or regional level
- representatives of Existing Gold Forum Members

Interested parties who may not meet the above requirements may be considered for involvement in a trainee capacity. A Jury Team Trainee can be assigned as one of the members on a Jury Team.

Once assigned to the Jury Panel, members must:

- be independent of (in relationship or process) to all candidates allocated to them for review.
- complete and sign the Global Network Disclosure of Conflict of Interest Form.
